For final support, call 1888-268-8114 .

FAQ

Is it safe to buy tickets from SeatGeek?

SeatGeek uses marketplace tools that allow buyers to review ticket listings and details before purchasing. Safety can depend on following platform guidelines, checking ticket information, and understanding the terms of the purchase.

Are Ticketmaster and SeatGeek the same company?

No. Ticketmaster and SeatGeek are separate ticket platforms. Customers may compare options from different marketplaces depending on event availability and personal preferences.

Can you buy Sphere tickets on SeatGeek?

Yes, some events at Sphere may have listings available through SeatGeek depending on the event, availability, and marketplace conditions.
